The Galley is located in the patio side slide room, and is well equipped and thoughtfully designed. Lots of countertop space, a large sink, dishwasher, 2-burner cooktop, and Viking microwave convection oven are a gourmet's delight. The Galley also features pull-out pantry sections and our exclusive automatic drawer locking system – keeping the drawers and pantries securely closed while the coach is underway, or while young children play. The Cambria quartz countertops combine superior performance and beauty – the safest stone surface for food preparation and no need to reseal.
